Led light ä å æ ø é ê ë ° will light up when there is no more water in the water reservoir and the ice manufacturing cycle will stop automatically. Press the power botan once (the power botan will blink every 5 seconds.) Remove the ice basket and add water to the water reservoir. NOTE: NOT PLUG ABOVE ABOVE THE MAX MAX BRAND IN THE TORT OF THE WATER RESERVATION. Replace the ice basket and close the cover. IMPORTANT: Wait 3 minutes and press the power botan to restart the ice manufacturing function. When you finish ice, transfer the ice to a freezer. NOTE: Ice lasts in Ice Maker for 18 hours, depending on the temperature of the Ambient. Stop the ice manufacturing cycle by pressing the power botan. Turn off the wall socket unit. Open the lid and allow the ice manufacturer to reach the room temperature and follow the instructions in the care and cleaning section. Care and Cleaningstop the ice that makes the cycle by pressing the power botan and the green LED light will come out. Turn off the ice maker from the wall socket. Allow the unit to that stand for ambient temperature. If the war tray is not in the vertical position for the fingers of the evaporator, gently push the water tray back so that the entire water flows in the reservoir of water. Open the drainage plug to exhaust excess water. Remove the ice basket. Remove the screen from the water tube and rinse in current water. Clean the inside of the ice manufacturer with a soft cloth in warm water and vinegar. Rinse with a clean cloth. Replace the drainage plug and the water tube screen. Wash the ice basket and spoon of ice at warm saben. Rinse and dry. Clean the outside of the ice creator with a soft cloth. Use a soft wash soap if necessary. NOTE Do not clean the fingers of the evaporator. most recent added: ffe3003uw FFEC3625US EFR176 ffe3052tw FR376 also, these documents are for othersModels: EFFICIENT: EFIC108, EFFICIENT: FRIGIDAIRE HEALTH, YOGURT MOTHER, FRIGIDAIRE SCREEN, YOGURT MANUAL, FRIGIDAIRE EFFICIOUS EFFICIRE EFFIC206, SERREGY FRIGIDAREAL1313, , FRIGIDAIRE EFIC206, Frigidaire Manual for Frigidaier FFCM13 FRIGIDAIRE EFIC206 Maker Home - Ice Manufacturer/Ice Manufacturer Stainlessly Ää: Image Efficiency117-B-B-Cu Nä å o Forcolor: To see this video Download Flash Player Player
